Chain Drop Catcher Installation Instructions

- Thank you for purchasing a TOKEN Chain Drop Catcher. The following instructions should be read thoroughly before installation, and the installation should be carried out by qualified bicycle technician.
- Improper installation of your TOKEN Chain Drop Catcher may cause unexpected failure of the parts that could cause you to lose control of your bicycle installed by a qualified bicycle technician.
- TOKEN takes no responsibility for the malfunctioning of the Chain Drop Catcher or injury due to faulty installation.

⚠ ATTENTION:

Please use the correct bolt to make sure it screws in the Front Derailleur at least 5mm.
